[Know of another website for mp3 conversion?](#)

Voici votre vidéo

Cliquez sur télécharger (format FLV-MP4)

✓ Après avoir cliqué sur télécharger vous allez être dirigé sur la page suivante :

The screenshot shows the website interface for Telechargerunevideo.com. At the top, there is a logo of a globe with a green arrow pointing down, followed by the text "Telechargerunevideo.com" and the tagline "SAVE VIDEOS FROM YOUTUBE, DAILYMOTION, VIMEO...". Below this is the heading "Download or convert videos from internet".

A text box explains: "This free online service helps you to download Youtube videos, Dailymotion, Facebook and others very easily! You can save your video or music and even convert it to mp3." Below this is a search input field containing the URL "www.youtube.com/?v=fHB-sIz8jh4" and a button labeled "Get download links!". An example URL is provided: "Example: www.youtube.com/watch?v=szXbSIV_n40".

The video player area shows a video titled "Tutoriel: Créer un QCM avec Opale". Below the video player, there is a section for "Download links" with a table of options:

Format	Qualité
<input type="radio"/> .webm	Medium - 360p ⓘ
<input checked="" type="radio"/> .mp4	Medium - 360p ⓘ
<input type="radio"/> .3gp	Low - 240p ⓘ
<input type="radio"/> .3gp	Low - 144p ⓘ
<input type="radio"/> .mp3	High ⓘ

Below the table is a button labeled "Generate download link" with the text "Tutoriel: Créer un QCM avec..." underneath it.

Red annotations and arrows point to the following elements:

- A red box around the video player with the text "Voici votre vidéo" and an arrow pointing to the video.
- A red box around the table of download links with the text "Cliquez sur le format MP4" and an arrow pointing to the selected .mp4 option.
- A red box around the "Generate download link" button with the text "Puis cliquez ici" and an arrow pointing to the button.

- ✓ Après avoir cliqué sur **Generate download link** vous allez être dirigé sur la page suivante :

The screenshot shows the website **Telechargerunevideo.com** with the tagline "SAVE VIDEOS FROM YOUTUBE, DAILYMOTION, VIMEO...". The main content area displays a video player for "Tutoriel Créer un QCM avec Opale". Below the player, it says "Download link ready!" and "To download your file, click the link below:". A prominent blue button with a download icon and the text "DOWNLOAD Tutoriel Créer un QCM avec Opale.mp4" is highlighted with a red box. A red arrow points to this button from the text "Cliquez pour Télécharger votre vidéo". Below this, it says "If you encounter problems with the link above, please use the following:" and provides a "Failover link" button. At the bottom, there is a section for "Advertisements" and a button that says "Download another video".
